**Draft Resolution Extending and Revising Authority for Vessel Common Carriers to Adjust Fares and Rates Available for Public Review and Comment**

A draft resolution (TL-19066) of the Consumer Protection and Safety Division that (1) extends for one year the authority granted to vessel common carriers (VCCs) by Resolutions TL-19042 and TL-19051 to adjust their passenger fares and freight rates without specific Commission authorization and (2) revises the authorized "zone of reasonableness" from 15% to 20% above current base fares and rates, will be on December 1, 2005, Commission meeting agenda. The Commission may vote on this resolution at that time, or it may postpone a vote until later. When the Commission votes on Resolution TL-19066, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Resolution TL-19042, issued June 9, 2004, authorized VCCs to assess a surcharge of up to 15% to offset significant increases in fuel prices. The authority was extended until December 2, 2005, by Resolution TL-19051. The draft resolution is available for review and comment. A copy may be obtained from, and any subsequent written comments should be submitted to:
